underestimated the extent and the importance of letter to

ANGLO CHINESE DICTIONARY, QUARTO, COURT AND PUNTI DIALECTS. PUBLISHER'S NOTICE. IIS WORK was commenced in November, Stante

The publication of a work of such magnitude, and presenting so many and such varied obstacles. seldom falls to the limited resources of one single individual, as occurs in this case. The first part of the work is now issued, partly at the request of the author and partly to affird the Foreign Community of China an opportunity of extending that resistance to the publisher, which under the Denuty diroumstances is usually so treely accorded. The price of the book complete, will be \$30, and it will be published in four parts at \$7.50 Geo. each. But this objection presents itself to the Henry sale of the parts reparately, should the purchasor of one or more parts not take the others, a number of incomplate, and consequently valueless, copies will be left on the publisher's hands. To remedy this objection, in consideration of the circumstances already alluded to, it is hoped that those who see fit to patronies the undertaking by purchasing the first part, will not object to signing an engagement to take the remaining parts as they

appear, or should they prefer it, to pay for the entire work in advance. Missionaries supplied at Trade Price. Daily Prace Office, Hunghoug, 15th Oct., 1866 OTION is hereby given, that the THIRD and final DIVIDEND of one-fourth of I am the per cont, will be paid at Uant n on and after the setting let December, 1866, on all claims proved against profits the Insolvent Estate of Messes, NYE, BROTHERS Be order of the United States' Coural.
